Just got out of an appointment. My phone was off. Didn't know Bozo went in today. I was there between 1:30 and 2. Only Missy and her clients were there. Thanks for keeping him out!!!

drugs and was

realize I'm in it up to  
my eyeballs in  
responsibility for that  
now but for him to  
act like he's innocent  
is ridiculous!!! Sorry

He's had a tough time. I'll text and call sometime tomorrow when I feel somewhere close to human. Thank you with all my heart for all the selfless things you did to help me in this horrific time I brought on myself. I'm not coming in to work tomorrow. I just can't. Thanks for having the moral character that you
