AFFIDAVIT OF

Patient AN

, who first being duly sworn deposes and says as follows:

1. I was a patient of Dr Stephen Rhodes, DC. He did a fine job on me during my visits after my car accident.
2. When I heard that he had been arrested and stopped practicing I was fearful of what would become of me and I sought treatment at another chiropractor at the suggestion of my attorney.
3. The Detectives from the Department of Insurance Fraud came by my work place asking questions about Dr Rhodes and threatening to get my phone records and work hours records by Court order.
4. A Cranial Nerve test was performed on me by my Neurologist prior to me seeing Dr. Rhodes. There were numerous x-Rays and tests performed on me at the Emergency Room. I didn't remember if the Cranial Nerve Test was one of them but it was provided to Dr. Rhodes prior to him treating me.
5. Dr. Rhodes did, however, ask me to close my eyes and stick out my tongue and touch fingers to my nose, etc, which I thought was silly, because I couldn't remember if I had lost consciousness or not.
6. I believe Dr Rhodes treated me thoroughly and well. I'm sorry for how he was treated.

I, ~~DR RHODES~~ TOLD THE DETECTIVES
DR RHODES + I HAVE NOT spoken by phone
I HAD STARTED FEELING THE DETECTIVES
DID NOT LIKE MY TRUTHFUL ANSWERS + WE
STARTING TO BECOMING AGITATED WITH MY ANSWERS
THE DETECTIVE THEN SAID THEY WOULD
SUBPOENA MY PHONE RECORDS TO PROVE DR RHODES
HAD CALLED ME PRIOR TO THE DETECTIVES ARRIVING
I TOLD THEM THEY WERE WELCOME TO SUBPOENA
MY PHONE RECORDS. THE DETECTIVES SAID THEY
WOULD ALSO SUBPOENA MY WORK SCHEDULE
RECORDS ALSO. I ASKED THEM TO LEAVE
MY JOB AT THIS POINT. SEVERAL DAYS
LATER, THE PRESIDENT OF STENNER COMPANY
CAME AND INFORMED ME THAT MY WORK
SCHEDULE RECORDS HAD BEEN SUBPOENAED. BOTH
DETECTIVES PRESENCE AT MY JOB CREATED
A VERY BAD SITUATION. I HAD TO EXPLAIN
TO THE PRESIDENT OF MY COMPANY, CO-WORKERS
AND EMPLOYEES THAT WORK FOR ME WHY
DETECTIVES WERE QUESTIONING ME AT WORK
REQUESTING WORK RECORDS. THIS SITUATION
OR DETECTIVE MEETING FOSTERED A DIFFICULT
WORK ENVIRONMENT WHEN BEING THERE WAS
NONE PRESENT.
