You are an obnoxious and possessive, arrogant ass hole. You treated Dr Deb so horribly and you will never be forgiven for that. I laugh at the fact that it's

turning out that you are such a piece of shit. You have always thought that.

turning out that you are such a piece of shit. You have always thought that you were such a wonderful person, when, in fact, you are a useless piece of shit.

revel in the fact that you're going down and are going to be destroyed. It couldn't happen to a better person. You are a useless human being who apparently

thinks that you are some kind of unique individual
